

PREMIER
MARINAS

More than just a berth.

Choosing a home for your boat is one of the most important decisions you'll make, and we appreciate the trust customers place in us when they choose Premier Marinas. We're continually investing in all our marinas, in both the services we offer and our teams, to ensure Premier is the natural choice for you. Each of our South Coast marinas is perfectly placed with its own unique character. They are professionally hosted by our friendly, experienced teams who will help you to settle in quickly and ensure you enjoy your time with us year after year. With Premier Boatyards at each marina, we also offer a wide range of services to help you maintain your boat. Meanwhile our leading digital tools will enable you to manage arrangements in your own time and maximise your time on the water.

Talk to our team and discover the Premier marina that's perfect for you.

Here for you 24/7

MyPremier: Your personal gateway unlocking an increasing range of features to help manage your berthing. Enjoy additional services both online and via the Premier Marinas App. You can reduce paperwork too by renewing your contract securely online, updating your account and boat details from your laptop, tablet or phone.

Premier Marinas App: Our free Premier Marinas App puts you in control wherever you are with a growing range of helpful functions including: • Manage your account and boat details • Turn on your marina electricity supply and top up your account balance* • Request a launch from a dry stack berth • Check local tides, weather and forecasts • Download annual tide tables • Contact our marina teams • Advise a marina maintenance request • All available 24/7, wherever you are. *Electricity management functions not currently available at Eastbourne (Sovereign Harbour), Southsea and Falmouth marinas.

Marina berthing

Premier Marinas offers a range of flexible, quality marina berthing for a wide variety of boats. Traditional pontoon marina berthing is available at all our locations, with select marinas offering dry stack berthing, specialist Versadock and Hydroport berthing for small power craft like Jet Skis, pile moorings or deep-water river moorings.

Our annual berthing packages are flexible and cost-effective, with a wide range of additional benefits. Enjoy a welcoming full-service berth at your home marina, as well as the ability to visit all Premier's marinas. Free visitor nights and unlimited day visits are benefits of Premier Advantage – our leading package of exclusive rewards, credits and discounts that include easy contract transfer between marinas and fuel at cost.

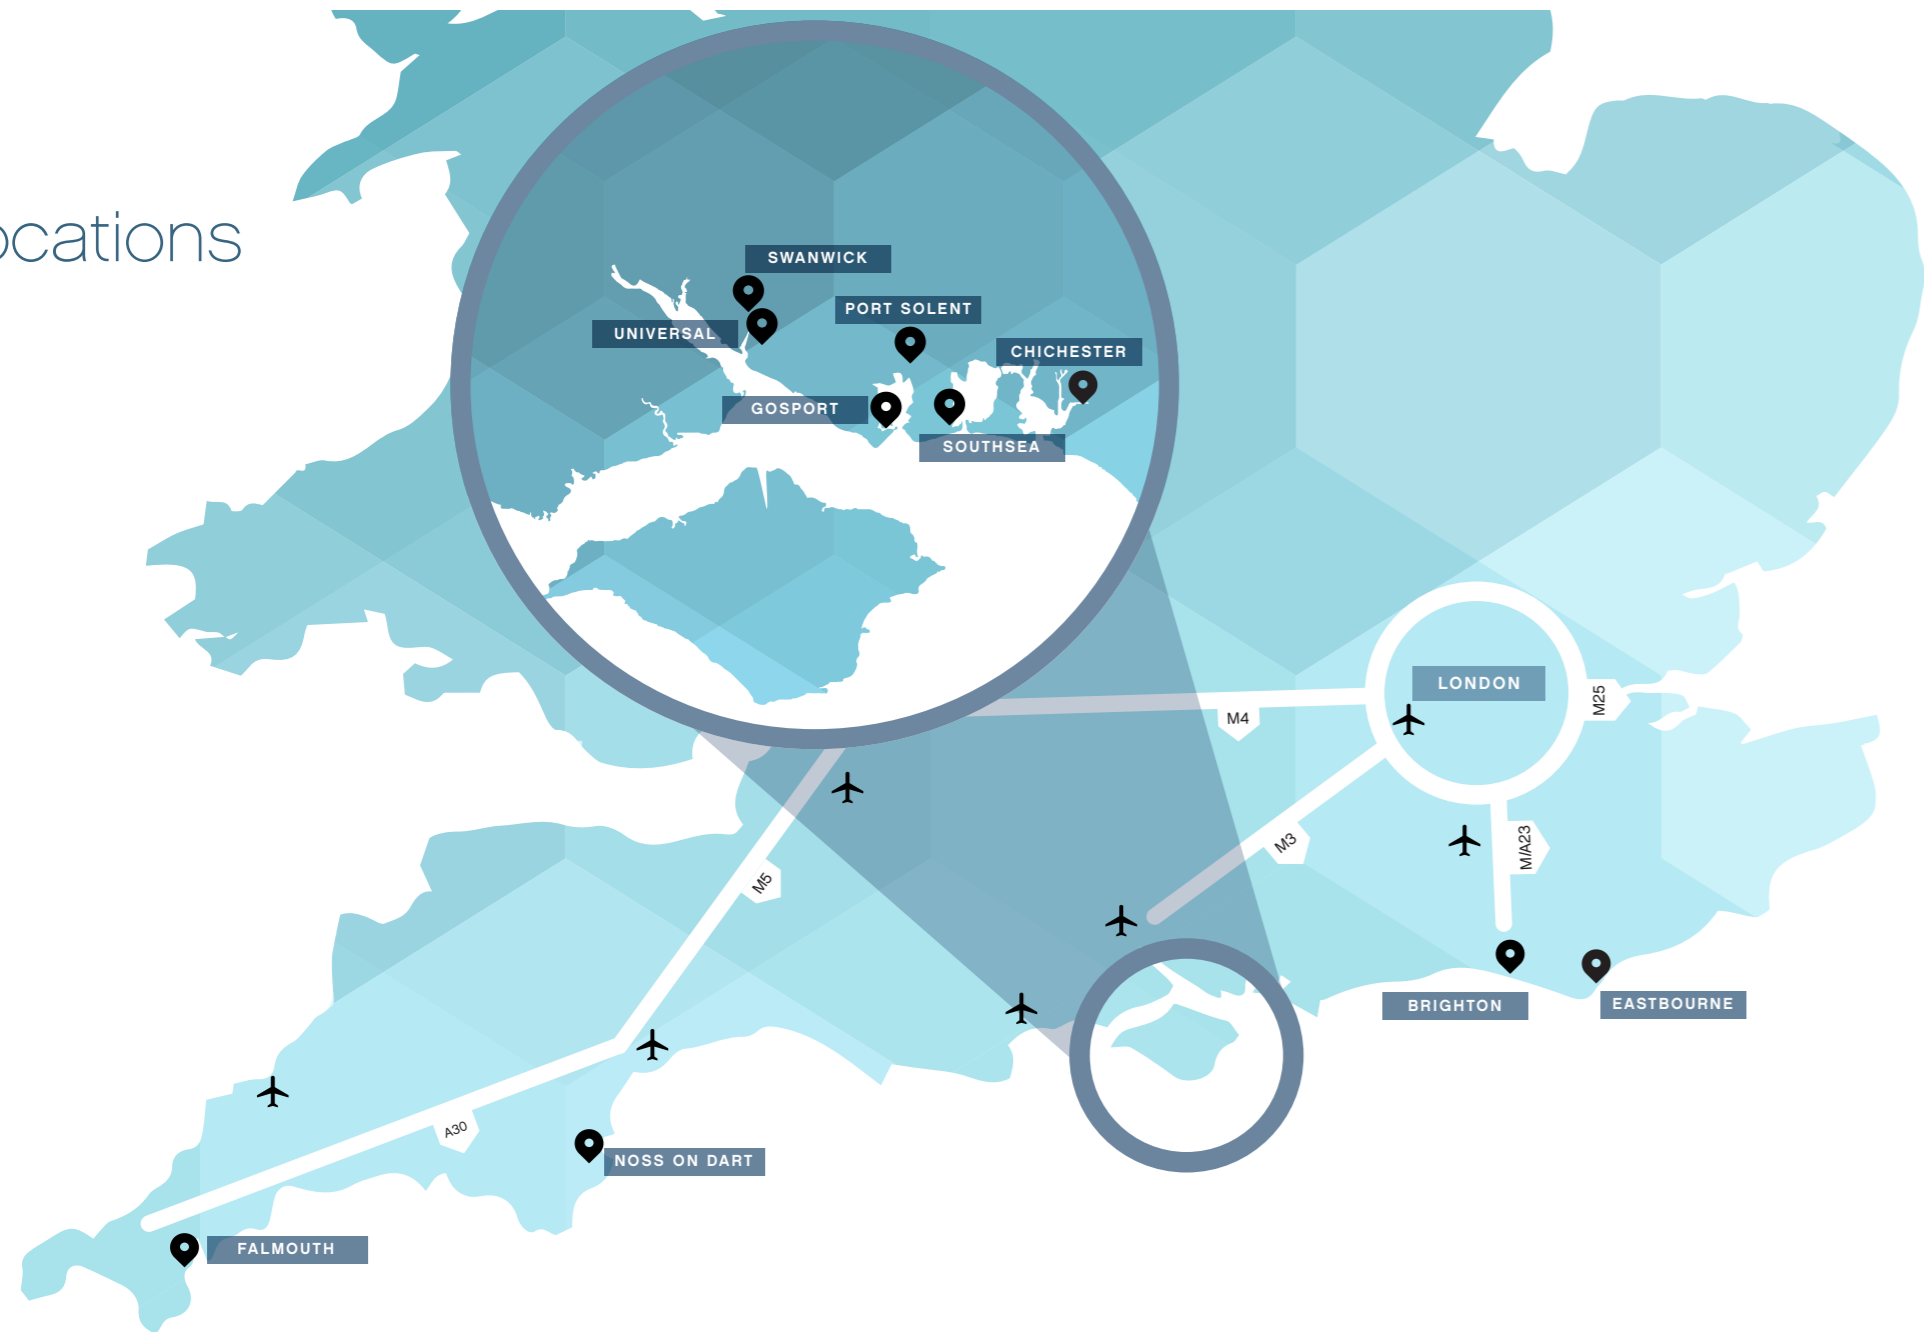

Monthly berthing can be secured on a rolling basis, while special winter packages offer great value for money and include shoreside storage. If you want ultimate flexibility, our daily visitor berthing is ideal for anything from stays of a single night up to two weeks.

Dry stack berthing

Perfect for sports boats, power boats, sport-fishers and RIBs, our dry stack berthing offers an unlimited lift, launch and recovery service. Dry stack is ideal for craft between 5 and 11 metres. Your boat is stored ashore in a secure, purpose-built storage rack and simply launched when needed. Its hull is washed after every use, reducing the need to antifoul and improving fuel efficiency as well as protecting resale values. With launch and recovery easily bookable via the Premier App, annual contracts also enjoy Premier Advantage benefits including full Sea Start membership. Flexible monthly contract options are also available.
